

Gratitude Garden

Participate in our second annual Gratitude Garden this Fall at The PORT. On Sunday, October 1, we'll display our Gratitude Garden full of mums, kale, and patio pots during worship, while celebrating what we're grateful for with a listing in a bulletin insert. You may take your plants home after worship that morning.

Complete the order form below, make note of what or who you are grateful for, enclose your payment, and place in the offering plate or return to the office by Sunday, September 10. Proceeds will be divided between camp scholarships and our commitment to the MN Annual Conference 7-year congregational development plan (Reach•Renew•Rejoice).
