The  **PORT**
A safe harbor along life's journey.

Pastor's Message *Rev. Carol Zaagsma*

In a mailing last December to all members and friends of The PORT, the idea of Star Words was introduced, along with a randomly picked Star Word written on a yellow poster board star for each member of your family.

While I was aware of all the various words selected to become Star Words, the process of distributing them truly was random. Your Star Word was a gift to you, with encouragement to ponder what significance it might have in your life, or to consider how God might be speaking to you in the coming year through *your* word.

A Star Word was picked at random for me, too. I'll be honest – knowing the whole list of words, I was hoping beyond hope to receive the word REST in my mailing.

My routine has been so very different with pandemic responsibilities at church. What used to be a demanding schedule became much more onerous with navigating the technical challenges of shifting from in-person to online worship (seriously, I didn't even know how to record video on my camera) leading staff and leaders in the congregation to reimagine their ministry areas to engage folks virtually, many additional videoconference meetings, and not only preparing worship (designing liturgy, writing sermon, etc.) but in pandemic times, extending that worship-prep process by up to 3 hours of recording time and 10-12 more hours per week editing and video uploading time. To say that I wanted, perhaps even needed, the Star Word REST is an understatement.

Instead, I got the word REVIVE. Revive means to return to consciousness or life – to become active or flourishing again. It sounds like really hard word. Like I so often do, the first thing that came to mind is this word in the context of this congregation. Is that what my Star Word is about? I'm exhausted. Yet is God urging me to revive all of us as individuals as well as our

entire congregational structure and culture and systems?

After *much* prayer (like, this really weighed heavy on my heart, so I prayed *a lot*), it became clear to me that it's not my job alone to revive us. We've all got work to put in as far as that goes, and to lean on the power of the Holy Spirit, too. Furthermore, we each have our own Star Word to consider how God is speaking through our word, so perhaps it's fitting that I take on my Star Word in a more personal manner, while trusting you all are doing the same. Out of that, we all might be revived!

Again, through much prayer, I realized that God is encouraging me to take on this word REVIVE in relation to the personal joys I had set aside amid the rigorous demands of pastoring in a pandemic – joys such as trumpet playing, spontaneous mid-day play with Bailey, cooking/baking (I had asked for and received a casserole cookbook for Christmas, so have enjoyed trying many new recipes from it since the first of the year), and developing the routine where I end every day with a phone call to my mom to see how her day went. I also signed up to take the remaining six courses required for my MBA in an effort to REVIVE my career goals. And you know what? I'm beginning to feel revived.

This is just my journey so far this year with my Star Word. The year is young, so I imagine my relationship to my Star Word will continue to change and shift and grow as the year progresses. Perhaps more importantly is the question about how you've been getting along with your Star Word so far this year? I'd be curious to hear from you, so please call or send me a note about your Star Word story.

Journeying with you,

Pastor Carol

Mission Outreach

March Mission Outreach Project — VEAP Food Shelf

During the month of March we will be accepting donations for VEAP food shelf. VEAP’s mission is to “create pathways to stronger, more hopeful communities through access to healthy food, housing stability, and supportive services.” PAUMC is focusing on collecting items that cannot be purchased through food assistance programs. Some of these items include diapers, toilet paper, and tissues. Of course, all non-perishable food items will be accepted. If you would like to make a cash donation, you can write a check to PAUMC and put VEAP in the memo line. You can also go to PAUMC.org/giving and select

VEAP. Donations can be dropped off at The PORT office during regular business hours: Tuesday, Wednesday & Thursday from 9:00 AM to 1:00 PM. We will also be having a drive through drop-off for donations at the church on Saturday, March 20 from 10:00 to 11:00 AM. Thank you in advance for your generosity.

Valley View Elementary Teachers & Staff Respond to PAUMC Gifts

In January our Mission Outreach team made a gesture of appreciation as teachers and staff there returned to in-person classes. The PORT provided snacks, coffee gift cards, and handwritten cards to show the teachers and staff they have our support. In turn, they showed their appreciation of The PORT's kindness, as you can see in these wonderful replies. Enjoy!

Pastor Carol & The PORT,
Wow, thank you so much for keeping Valley View Elementary in your thoughts as we've transitioned back into in-person learning. There were many anxious feelings in the building, but the snacks were such a happy surprise for staff, and the gift card to Caribou was an unexpected treat. We feel so lucky to be a part of such a supportive community! Thanks again on behalf of VVE staff!

~Saraya Dahlen, LSW & Joan Maland, Principal

Thank you so much for your card's beautiful words and for the gift card. I really enjoy what I do. God bless the United Methodist Church community.

Virtual Coffee Fellowship

We have been meeting virtually for some months now, enjoying coffee together after Sunday online worship. It seems that the same group continues to gather and it is always good to see and be seen so we can check in with each other. We all miss our PORT family and some of you we haven't seen for a year now! It would be so great to see some new faces added to the coffee time. It is one hour on a Sunday, and we used to spend much more time than that together.

Let's have a big turnout for March. Bring a cup of coffee and we will take a screenshot of everyone to put in the Portlight. I have so enjoyed hosting you all every month. Can't wait to see you all!

Finance

All Church Conference Accepts The PORT's 2021 Budget

At the 2020 All Church Conference held on January 28, the PAUMC 2021 Budget was accepted by the Church Council. The Budget shows a projected shortfall of \$12,208 for the year. This looks concerning; but we feel that with keeping expenses in check and hoping for stronger than projected Easter and Advent offerings, we will come out fine at the end of 2021.

Last year, we overcame a forecasted \$15,289 deficit because of the generosity of members and friends of Portland Avenue United Methodist Church.

PAUMC receives \$34,000 from the other churches and the dance studio that use our building, which enables us to come relatively close to a balanced budget. We have a good relationship with these people, and we are grateful for having that income in helping us run our facility.

~ Dave Smith, Treasurer

Trustees

Insurance Change and Roof Repairs

The Trustees has been busy with the following activities for the church:

- ◆ Researched and changed insurance carriers which saves the church approximately \$1,900 yearly while maintaining the same coverages.

- ◆ Oversaw significant roof repairs, tree removal, and maintained tree trimming on the property
- ◆ Repaired the south boiler and the church's sign in front.

The Trustees also noted that one pending project is work on the lighting around the church's sidewalks.
